

G. EDWARD GRIFFIN'S Need To Know

9/11 TV Coverage that Mainstream Media Didn't Let Us See Twice

September 13, 2019

Witnesses interviewed on the street immediately after the attack on 9/11 say the planes that struck the Twin Towers were gray, had no airline logos, and no windows. Firefighters tell of explosions far below fire-damaged floors BEFORE the buildings began to collapse. These segments were quickly removed by mainstream media.
